

HEATING & AIR CONDITIONING

LX Series Air Conditioners

TCHE Model | 14 SEER

TCHD Model | 13 SEER

For over 100 years, the Coleman® name has been synonymous with rugged reliability and world-renowned quality. Our line of heating and cooling solutions is no different. Since 1958, Coleman® HVAC has provided world-class home comfort systems that stand the test of time. We're confident that our LX Series air conditioners will do the same. Count on unmatched comfort, time-tested performance and exceptional energy savings backed by some of the strongest warranties in the industry. It's what has made Coleman® HVAC a preferred choice of homeowners for generations.

American quality

Coleman® HVAC units are designed, engineered and assembled in the United States, where we closely monitor and improve processes that directly affect quality. Because when it comes to your home comfort, you can rely on the legendary quality of Coleman® HVAC.

Quiet operation

The Coleman® *WhisperDrive™* system includes a swept-wing fan for smooth airflow, composite base pan to distribute and dampen sound and a sound containment cloak to reduce sound levels.

R-410A refrigerant for comfort and sustainability

R-410A refrigerant absorbs and releases heat more efficiently than older refrigerants, to save electricity and provide a lower carbon footprint.

Perfect for smaller spaces

Requiring only six inches of clearance for either air discharge or inlet, the TCHE and TCHD can fit into tight spaces. Plus, these units are stackable to fit more cooling capacity in a smaller footprint.

Durability is built in

To help keep your system running properly for years, Coleman® HVAC builds strength and durability into our outdoor units. Like enhanced coil protection, which includes an advanced coil guard to add protection while keeping the coil free of debris.

Superior technology

Unique MicroChannel coil technology creates a superior heat exchange surface that allows a smaller unit to provide more performance in less space.

- **Superior efficiency** and ozone-friendly R-410A refrigerant.
- **13 or 14 SEER designs** reach up to 16 SEER when used with a variable-speed indoor blower, depending on size and application.

- **Space-saving MicroChannel coil technology** requires less refrigerant.
- **Zero-lot-line application;** requires only a 6-inch clearance.

- **High-efficiency scroll compressor and swept-wing fan design** for efficient operation and industry-leading sound quality.

- **Automotive-grade powder-coat paint** tested under 1,000-hour salt spray conditions to ensure superior corrosion resistance.

MODEL*	DESCRIPTION	TONNAGE RANGE	REFRIGERANT
TCHE	14 SEER	2-4 Ton	R-410A
TCHD	13 SEER	1.5-5 Ton	R-410A

For additional product details, such as weight and dimensions, visit www.ColemanAC.com or ask your Coleman® HVAC Contractor.

*Select models available in three-phase.

* 10-year parts limited warranty does not apply to three-phase models, which only have 5-year compressor and 1-year parts limited warranties.

** 10-year parts and 90-day labor limited warranties require online registration within 90 days of installation. Otherwise, the parts warranty reverts to a 5-year limited parts warranty.

Complete your home comfort system by asking about ways to improve your indoor environment and protect your family's health with our Total Comfort System™ approach to indoor air quality.

Complete your Coleman® HVAC system

By matching your Coleman® HVAC system with Coleman® HVAC variable-speed air handlers and furnaces, you will maximize energy efficiency and likely qualify for various rebates. Ask your Coleman® HVAC Contractor about rebates offered in your area. And ask about Coleman® HVAC fans, filters and advanced controls to complete your system. Talking to your contractor will keep you informed, save you money and time, and protect your family's health — all part of Coleman® HVAC comfort.

Financing available

Ask your Coleman® HVAC Contractor about special financing options. Applying is easy, and upon approval, you'll enjoy low monthly payments and financing offers.

You can depend on Coleman® HVAC to deliver comfortable performance all day long, year after year. Want to know more? Contact your Coleman® HVAC Contractor or find a local dealer at www.ColemanAC.com.
